QUARTZ

Descubra uma vasta gama de cores para dar ao seu espaço uma aparência exclusiva.

A marca Diamond Stone é responsável por trazer ao Brasil a mais completa linha de soluções em superfícies para o mercado da arquitetura e do design, desenvolvidas em todo mundo. A linha Quartz possui características únicas, são resistentes e garantem alta qualidade, durabilidade e vasta variedade de cores. Garantindo requinte e elegância para seus ambientes. A resistência advinda da base do quartzo natural, permite que o produto seja altamente resistente a manchas e fungos com um baixíssimo nível de absorção de líquidos. O quartzo proporciona maior segurança, alta durabilidade e baixo custo de manutenção a bancadas de cozinha, banheiros e áreas de serviço.

BENEFÍCIOS E CARACTERÍSTICAS DO PRODUTO

Requinte, elegância,
fácil de limpar

Baixo nível
de absorção de líquidos

Resistente à manchas
e fungos.

Adequado para
contato com alimentos
